📁 PROJECTS

Happy Gardening UI/UX Case Study (July-Dec 2023)

- Addressed challenges faced by plant enthusiasts with innovative solutions
- Designed user-friendly interface with guides, tips, and plant care reminders
- Created user persona "Herna" through user research and empathy mapping
- Developed visual design with a calming color scheme and clean typography
- Conducted competitive analysis to enhance user engagement

🏢 WORK EXPERIENCE

UI/UX Designer

Aucio Infotech — Mar 2025 – Present

- Designed and launched the Bondspe Mobile App with a clean, intuitive user interface.
- Developed responsive UI designs for client websites, including:
 - Riya Soni Kundan House – Luxury jewelry brand website.
 - Neel Initiative – Agri-tech platform empowering farmers through soil health insights.
 - Brixcode Technologies – Corporate tech service website.
 - Legal Republic – Legal services platform with a focus on trust and clarity.

Junior UI/UX Designer

Viral Chilly — Nov 14, 2024 – Feb 14, 2025

- Designed websites for a jewelry brand and Viral Chilly's parent company.
- Conducted user research, created wireframes and high-fidelity mockups.
- Edited promotional videos to support brand storytelling.
- Produced design assets for marketing campaigns.
- Handy Craftly – Developed a colorful eCommerce UI showcasing handmade products with intuitive navigation.

UI/UX Design Intern

Devicecure — Sep 18, 2024 – Oct 19, 2024

- Designed homepage UI for a doorstep mobile repair service, boosting user engagement.
- Created wireframes, interactive prototypes, and high-fidelity designs.
- Improved visual hierarchy and navigation flow.
- Collaborated with developers to ensure design consistency and feasibility.

🏆 ACHIEVEMENTS

- National Trade Certificate (Computer Operator and programming Assistant)
